

Everyone deserves a chance to fly!

Founded in 2007 by Chip and Lisa St. Clair, who proved trauma can be overcome, St. Clair Butterfly Foundation (SCBF) was born from lessons found in the bestselling memoir, *The Butterfly Garden: Surviving Childhood on the Run with One of America's Most Wanted*.

Get involved.

With your support, we can continue to make a dramatic impact across the country. For as little as 25 cents per day, you can help us create trauma-informed classrooms that resonate for generations to come.

Help us help them grow wings!

- Make a donation

Our Mission

St. Clair Butterfly Foundation (SCBF) helps students and families overcome adversity through specialized expressive arts programs and trauma-informed training for educators and child development professionals.

Our Vision

A world free of childhood trauma.

Expressive Arts Programs Offered:

- Creative Writing
- Mindful Movement
- Art
- Gardening
- Music
- and more...

Impact of SCBF Trauma Toolkit

Student Benefits:

- Improved mental health, sense of purpose, school performance, and coping skills
- Increased engagement and love for learning
- Reduced trauma-related psychological and physiological complications
- Decreased involvement in the juvenile justice system

Educator Benefits:

- Enhanced ability to mitigate trauma through progressive skill sets and effective classroom techniques
- Deeper understanding of trauma's impact, contributing to emotional and physical safety in the classroom
- Up to an 80% increase in teacher satisfaction, reflecting enhanced job fulfillment and efficacy

Community and School System Benefits:

- Stronger alignment between schools, public agencies, and community stakeholders, fostering a unified approach to understanding and addressing trauma

"The trauma training transformed my approach to teaching and interacting with students. It has made a significant difference in our school." - Sarah T., Teacher

"The SCBF hands down provided the best trauma training in my 12 years as a superintendent. Their resources and support have made an immediate impact in the classroom." - John D., School Administrator

SCBF Trauma Toolkit includes:

- Educator and Administrator Training
- Full Access to SCBF's Learning Management System (LMS)
- Specialized Expressive Arts Programming

A 4-year Cross-Longitudinal Case Study impacting 540 students revealed:

- **100%** Graduation Rate
- **Average .8 GPA Increase**
- **90%** Reduction in Violent Behavior
- **80%** Reduction in Disciplinary Action

DID YOU KNOW?

Without intervention, trauma survivors are:

- **2.4X** more likely to have a stroke
- **2X** as likely to have cancer
- **12X** more likely to attempt suicide
- **7X** more likely to suffer from alcoholism
- **80X** more likely to suffer from depression
